

Fibertex SA (Pty) Ltd is a leading nonwovens manufacturer principally involved in the manufacture and marketing of geotextiles. Recent rapid development requires the appointment of an export manager who will be required to develop and maintain markets in sub-Saharan African, the Indian Ocean Islands and Australasia.

Candidates should have:

- A commercial or technical qualification preferably related to export trading and/or geotechnical expertise.
- A minimum of 5 years experience in export business of industrial products to countries on the African continent.
- A proven track record of successful export sales.
- A comprehensive knowledge of export logistics & payment terms.
- Ability to work with teams and project groups.
- User knowledge of MS programmes (Word, Excel and PowerPoint).

Other attributes:

- Technical knowledge of geotextiles will be an advantage
- Good presentation and communication skills
- Service commitment
- Persistence
- Passionate about building relationships
- Ready to travel intensively for over 100 days per year

The position reports to the CEO.

Applications should be directed to mhe@fibertex.com.
