

**WeedSeal®**

# Fibertex® *Quality Gardening*

## What you should know about Fibertex® *Quality Gardening* WeedSeal®

Lasts more than 25 years

**With Fibertex® *Quality Gardening* WeedSeal®, your customers get....**

- Environmentally-friendly weed control
- Minimal maintenance
- A black fabric that prevents the light from penetrating and stops the weed's growth
- A black fabric that allows water, fertiliser and air to penetrate, but stops weeds from below
- Optimum growth conditions for the plants – the fabric holds water and provides constant soil temperature

Fibertex WeedSeal® is a registered trademark owned by Fibertex Nonwovens A/S.

## With Fibertex® *Quality Gardening* WeedSeal® you get...

### Solid sales displays

Along with the rolls, you get the sales display.

**Fibertex® *Quality Gardening* WeedSeal®** is supplied in a solid carton packaging. This packaging is ideal as a sales display in your store.

### Customer-friendly products

The roll has a handy size that fits into every shopping cart and luggage boot, namely 1 x 12 m or 1 x 25 m. Each roll is packed in transparent foil and a poster is wrapped around the roll. The customer can easily read the product name, view the illustrated applications and read the explanatory text.

A detailed installation guide is printed on the back side of the poster. Customers can easily spot the appropriate product as there is a label at the end of each roll mentioning the type, dimension and m<sup>2</sup>.

### Optimisation in sales and logistics

The sales displays contain 24 rolls. The sales display matches the size of a quarter or a half Euro pallet, namely 60 x 40 cm and 60 x 80 cm. The pallet is a one-way pallet without any troubles or costs of return. The top of the sales display is easily torn off to expose the rolls, and placing the sales display in the store is very easy. On each roll you find a bar code for your scanner at the check-out counter.

### Customer-friendly brochure

Give your information seeking customers the new brochure about the **Fibertex® *Quality Gardening*** products as a source of inspiration. By means of pictures, the brochure illustrates application areas and advantages of the products.

### Fibertex® *Quality Gardening* WeedSeal®
